Myrick Produce leverages multi-state network to serve Michigan market

By

Keith Loria

June 15, 2026

For more than four decades, Edward L. Myrick Produce has built its business around providing customers with a dependable year-round supply of fresh fruits and vegetables, supported by a network that spans major growing regions across the country.

The family-owned company operates facilities in Florida, Georgia, North Carolina and Michigan, giving it the ability to source and distribute produce throughout the year while adapting to changing seasonal demands.
