KENOSHA, WI — On July 28 the Heartland Children's Foundation will sponsor the Heartland Produce 2015 Charitable Golf Outing at the ThunderHawk Golf Club in Beach Park, IL. This will be the second year for the fundraiser, which last year netted \$20,000. Customers, suppliers and employees of Heartland are invited to participate.

William (Bill) Dietz Jr., president of Heartland Produce Co., said the non-profit Heartland Children's Foundation was launched almost two years ago. Beneficiaries from last year's event were Focus on Community, Women & Children's Horizons, Oasis for Orphans and the Eliminate Project of the U.S. Fund for UNICEF.
