Royal FloraHolland introduces renewed tariff model from 2027

June 30, 2026

Royal FloraHolland will introduce a renewed tariff model for members, buyers and suppliers beginning Jan. 1, 2027. The Members' Council took the final decision during its formal meeting on June 18. The renewed model is intended to keep the cooperative strong and to place costs where they are incurred. In the coming months, Royal FloraHolland and the Members' Council will work together to develop the 2027 tariffs within the renewed model.

Better alignment with differences
