Wakefern to invest $500M in Northeast farms

July 7, 2026

In advance of its annual Local Produce Supplier Summit on July 15, Wakefern Food Corp. announced a $500 million commitment to sourcing fresh produce from local and regional farmers and growers across the Northeast over the next five years. Wakefern's summit will be held at the New Jersey Convention & Expo Center and brings together growers, Wakefern members and industry leaders to strengthen partnerships and expand access to locally grown produce and products.

Smart Plastic Technologies offers a sustainable packaging solution for fresh produce

By

Chris Koger

July 7, 2026

A company whose packaging technology enables polyethylene or polypropylene (PE/PP) packaging to completely bio-assimilate — turn into CO2, water and biomass at the end of its life cycle — is sparking interest in the fresh produce industry.

Market Minute: Northwest cherries peaking for promotions

By

Ron Pelger

July 6, 2026

This is it — the peak shipping season for Northwest cherries.

Get the premium cherry gems in your weekly ads fast because volume is down this year compared to the bumper crop of the previous two years. Even though the crop is lighter, the Washington cherry quality is superior and they're ready to be promoted. Many retailers are jumping on the opportunity by entering into timely promotions to drive sales volume while the crop is in its peak range.
