Mexico's 2007 mango imports expected to peak during July

June 6, 2007

Although June is typically the heaviest production period for Mexican mangos, U.S. distributors said that the peak of the season will most likely come in July as the Nayarit and Sinaloa production areas are a couple of weeks later than usual.

Think-21 eyes food processors, supermarkets for waste recycling

June 5, 2007

SANTA CLARA, CA -- Think-21 believes it has technology that will be of interest to food processors and supermarkets, among others, in the United States.

Utilizing the technology of a partner in Europe, Long Island City, NY-based Think-21 believes that its advanced anaerobic digestion waste recycling systems will provide a low-cost alternative to waste disposal and at the same time produce renewable bio-gas from waste in the United States.

Fresh Express creation listed among those that have had most impact

June 5, 2007

USA Today recently selected the top 25 inventions that have changed the lives of American citizens, and Salinas, CA-based Fresh Express made the list for its bag technology.

Rating No. 10 on *USA Today's* list is Fresh Express' invention of a high-tech plastic bag introduced nationwide in 1989 that helped ignite a whole consumer category of portion-controlled foods with the rollout of mixed lettuce greens in a bag.
