Concours d' Fresh: Produce industry members rev their engines.

May 12, 2021

The Produce News is proud to present the produce industry's first ever Concours d' Fresh. We asked to see your wheels — and you didn't disappoint. This virtual car show features classic cars from the 50s, modern day race cars, old-school produce wagons — anything on wheels worth seeing.

In this month's edition of Sightings: Face to Face with the Produce Industry, get a look at what some of your fellow industry friends and colleagues ride in on the way to the airport before meeting up with you at trade shows — and be sure to keep an eye out for our May 24th print edition, which will include all of the submissions.
