[Mann Packing Co. Inc.](#), a subsidiary of [Del Monte Fresh Produce N.A. Inc.](#), and one of the largest suppliers of packaged vegetables in North America, added three new products to its lineup — Mann Veggie Sides, Steakhouse Style and Better Pasta. Available now at select retailers nationwide, these new meal companions will be sure to make even the pickiest eater ask for more vegetables.

Packaged in easy-to-prepare bags, Mann Veggie Sides go from microwave to table in just three minutes. Sauce dollop technology seasons each veggie to perfection, providing a light and delicious flavor in a convenient way. Flavor variations include Broccoli with Lemon Herb, Cauliflower with Parmesan Pepper or Green Beans with Onion and Bacon.

If you can't make it to your fancy restaurant reservation, Mann's has also got you covered! Enjoy the same quality and taste from your favorite upscale restaurant in the comfort of your own home. Mann Steakhouse Style are the perfect way to enjoy the finest, high-quality vegetables without leaving your home. These veggies have the same great taste from your favorite five-star restaurants and are conveniently washed, pre-cut, cleaned and ready for any recipe. With high-end vegetables that complement any main dish, Mann Steakhouse Style are not your standard grocery store vegetables. Whether grilled, roasted, baked or sautéed, the three varieties of Asparagus, Broccolini baby broccoli and Caulilini baby cauliflower are ready to serve up smiles the whole night!

Pasta is great, but those carbs are not as welcome to the table. Mann Better Pasta offers the same great taste as traditional pasta, just without the guilt. Made from 100 percent fresh vegetables, this pasta alternative can be easily prepared on stovetop or microwave. Crafted using only the finest and freshest of ingredients, Mann Better Pasta features a special cut of vegetables that replaces traditional wheat pasta, without sacrificing flavor. Mann said its Better Pasta will fool any picky eater with its great taste and quality, believably replacing carbs.

“At Mann Packing, we strive to meet consumer needs with vegetable products that offer convenience, premium taste and quality at an affordable price,” said Pablo Rivero, vice president of marketing North America for Fresh Del Monte. “We hope these new Mann's products will incorporate more delicious fresh vegetables into our consumers' daily lives and we look forward to bringing more products like these to the table soon.”
