Fresh Farms kicks off Baja tomato season with strong market position

June 23, 2026

Nogales, AZ-based Fresh Farms is entering the Baja tomato season at an ideal moment, aligning seamlessly with the conclusion of its Sonora crop. This strategic transition allows the company to maintain consistent supply while capitalizing on favorable growing conditions in Baja, where weather has been optimal so far.

Healthy Family Project launches Fueling Military Families campaign

June 23, 2026

Healthy Family Project has launched its 2026 Fueling Military Families campaign, a multi-channel cause marketing initiative bringing together leading food and wellness brands to support military families through nutrition education, consumer engagement and charitable giving benefiting Our Military Kids.

Running through July 16, the month-long campaign combines recipe content, registered dietitian expertise, digital media, social engagement and national television exposure to connect families with healthy eating resources while raising awareness and funds for military children.

Market Minute: Summer vegetable grilling season is back

By

Ron Pelger

June 22, 2026

Fire up those grates and burn off the old food grease as another grilling season gets under way. Whether it's a family gathering or a backyard barbecue party, there's nothing more enjoyable than some roasted fresh vegetables on the grill.

Before cooking, rub a half of a raw potato on the hot grates to create a non-stick surface.

You can char-grill all sorts of your favorite veggies. Here is some vegetable market information:
