Tasteful Selections potatoes take center stage for National Margarita Day

February 22, 2022

[Tasteful Selections](#)' most unique recipe yet — the [Color-Changing Purple Passion Margarita](#) — showcases versatility you can get from a bag of potatoes.

"At Tasteful Selections, we value creativity and ingenuity, and it's not isolated to just our business. It is in our recipes too," said Tim Huffcutt, vice president of sales and marketing operations. "Potatoes have been a staple in many homes for generations. The potato can be so much more than a traditional side dish and we are excited to show our consumers all the wonderful recipe options our potatoes provide."

Tasteful Selections will continue to present new recipes and meal creations throughout 2022. Bite-size potatoes offer versatility and diverse flavor opportunities to every meal. Enjoy National Margarita Day and other holidays to come, with Tasteful Selections.
