Industry celebrates together at Southern Exposure

March 10, 2022

ORLANDO, FL — The produce industry gathered in force the first week in March at the Southeast Produce Council's Southern Exposure 2022 conference and trade show to celebrate "The Marvel of Produce" and reconnect in person with colleagues and friends. For many attendees, it was the first time they had seen one another in a couple of years, as the worst of the COVID-19 pandemic finally seems to be in the rearview mirror. This year's event drew more than 2,800 registrations, including more than 500 retail, foodservice, wholesale buyers.
