July 18, 2022

With more than 1,700 registrants, a sold-out trade show featuring more than 150 exhibitors and a robust educational program, the 2022 [Organic Produce Summit](#) was an unmitigated success. The aisles were full from the opening bell on Thursday, July 14, until the doors were shut about five hours later. There were more than 300 retailers in attendance and the excitement level was sky high.
