"The Bloom Show" with Sahid Nahim and guest Adam Campbell of The Produce News

July 28, 2022

Sahid Nahim, host of "The Bloom Show," interviewed Adam Campbell, publisher of The Produce News, on Tuesday, July 26th, 2022. Campbell discusses The Produce News and how businesses may benefit from collaborating with them. Campbell also gave some pointers on how to find topics to write about.

The Bloom Show is a floral industry YouTube Live show which helps the floral industry to innovate, connect and bloom through community, networking, and bringing information to the industry from within the floral industry and bringing other industry insights as well. The Bloom Show believes that the more information the floral community has, the better decision we can all make.
