Market Minute: Melon season under way for ad promotions

By

Ron Pelger

July 27, 2026

The summer melon season is kicking into high gear. With July wrapping up and August just days away, cantaloupes, honeydews and watermelons are moving into strong production and are ready to feature in weekly ads.

The big three — cantaloupe, honeydew and watermelon — are showing some solid summertime volume, and August marks the peak of California's melon deal. Quality is excellent with vibrant interiors, juicy texture and the sweet, fragrant aroma shoppers like.

IFPA serves up inspiration at Foodservice Conference

By

John Groh, Adam Campbell and Debbie Miller

July 27, 2026

The Foodservice Conference

INTERNATIONAL
FRESH PRODUCE ASSOCIATION

The International Fresh Produce Association welcomed foodservice professionals from across the supply chain to Monterey, CA, last week for The Foodservice Conference, bringing together operators, distributors, menu developers, school nutrition leaders, chefs, suppliers and solution providers for two days focused on one shared goal: getting more fruits and vegetables on more plates.
