Ocean Mist to make its debut at Southern Innovations

September 20, 2022

[Ocean Mist Farms](#), a leading grower and marketer of fresh artichokes in the U.S., will appear for the first time at Southern Innovations this year and feature its value-added fresh-cut products for retail and foodservice.

Ocean Mist Farms is a fourth-generation family-owned business located in Castroville, CA, but Sept. 21-23 Southern Innovations attendees can find the company in booth No. 611.

The company said it is committed to delivering the highest standards in the industry for food safety, product quality, customer service, innovation and sustainability. Its full line of over 30 fresh vegetables includes the award-winning Season & Steam and Ocean Mist Organic product lines.
