March 7, 2023

ORLANDO, FL — The theme of the Southeast Produce Council's 2023 Southern Exposure conference and trade show was "Produce, the final frontier," inspired by the popular "Star Trek" television shows and movies. The event, held here March 2-4, may be summed up in two words: mission accomplished. The numbers were impressive too, with more than 3,000 attendees, 283 exhibitors and over 650 retail-foodservice buyers.
