BJ's Wholesale Club's first Alabama location to open in time for Thanksgiving savings

November 9, 2023

[BJ's Wholesale Club](#) has a brand-new club location in Madison, AL, which will open Friday, Nov. 10, making it BJ's 239th club and Alabama became the company's 20th state. The new club also features a BJ's Gas location on-site, with everyday low fuel prices and the opportunity to earn extra savings through [BJ's Fuel Saver Program](#). The Madison BJ's Gas station opened Thursday, Oct. 26 and offers regular, premium and diesel fuels.

"We're thrilled to open the Madison club, our first location in Alabama," said Tommy Metheny, club manager, Madison BJ's Wholesale Club. "As we gear up for the holiday season, we can't wait to bring BJ's unbeatable value and convenience to this community. I want to thank both our great team for its commitment to serving our members and the community for giving us such a warm welcome."

BJ's helps members save time and money by offering incredible savings and unbeatable value on everything they need in a convenient one-stop shop, including a wide assortment of fresh foods, produce, a full-service deli, household essentials, pet supplies, various exclusive offerings and much more. The club will also delight shoppers with a treasure-hunt experience that BJ's members know and love with a variety of seasonal favorites, home décor, fashion for the family, top trending toys, hot tech, and a selection of local products.

BJ's Wholesale Club takes care of families in its local communities. The BJ's Charitable Foundation supports a range of organizations and programs across 20 states. In Madison, BJ's is partnering with the Food Bank of North Alabama, donating nutritious, fresh food to help local families in need.

"With Thanksgiving fast approaching, we are excited to have BJ's Wholesale Club as the newest member of the Madison community," said Shirley Schofield, chief executive officer, Food Bank of North Alabama. "The holidays are a vital time to ensure that those in need have access to basics and our partnership with BJ's allows us to do that."

To date, BJ's has partnered with Feeding America and the Feeding America network of food banks for over 15 years, providing more than 122 million meals to local families.

At BJ's Wholesale Club, members can also shop how they want by choosing from a variety of convenient shopping options like in-club shopping, [curbside pickup](#), [in-club pickup](#), [same-day delivery](#) and standard delivery from [BJs.com](#). When shopping in-club, members will have access to [ExpressPay](#) through the BJ's [mobile app](#), a service that allows shoppers to scan products as they go and avoid the checkout line at the end of each trip.
