Cindy Roberts joins the sales team at Benary

January 30, 2024

[Benary](#) has welcomed its newest Area Manager to the East Coast/Mid-Atlantic region, Cindy Roberts. Roberts come to Benary U.S. with a vast amount of experience in the Greenhouse industry, working for Dan Schantz Farm and Greenhouse as coordinator of Operations for many years. Roberts's experience in growing greenhouse crops, working in grower councils, and her relationships with growers in the area, give her a leading edge to start on the ground running.

Roberts is known in the industry as a leader with a vast amount of knowledge of the many genetics on the market. She will make use of this experience helping the company's customers save time and use their resources efficiently.

Roberts began working for Benary on Jan. 8, and can be reached at croberts@benary.com
