Southern Innovations 2024 sees record crowd

September 16, 2024

NASHVILLE, TN – The Southeast Produce Council introduced a few changes to this year’s recently completed Southern Innovations 2024 conference and expo, including adding an extra hour to walk the trade show floor. Southern Innovations, which took place from Thursday, Sept. 12, to Saturday, Sept. 14, at the Gaylord Opryland Resort & Convention Center, had over 1,400 people check in and almost 200 exhibitors — the largest Southern Innovations ever.
