In wake of Hurricane Helene SEPC helping with disaster

relief

October 1, 2024

Due to the overwhelming need for disaster relief in the wake of Hurricane Helene, the [Southeast Produce Council](#) is reaching out to members for [donations to Samaritan's Purse](#).

Hurricane Helene hit Florida with 140-mile-per-hour gusts, the strongest recorded storm to ever hit the Big Bend region, continuing to wreak havoc as it blew devastating winds through Georgia and the Carolinas, with historic rainfall and flooding in areas in the southern Appalachians.

The storm has left a path of devastation across the Southeast, from the coast of Florida to the mountains of North Carolina, and SEPC is looking to help those in need.

SEPC will match all donations up to \$25,000 in total. Please consider making a contribution to join in our cause:

"Please keep the millions of people affected by this massive storm in your prayers," the council said. "Please pray for volunteers as they respond and bring the hope and comfort that only the Lord Jesus

Christ can offer."
