Sights and sounds from SEPC Southern Exposure 2025

---

March 12, 2025

ORLANDO, FL — The Southeast Produce Council welcomed the fresh produce industry to the Orlando World Center Marriott March 6-8 for its flagship event, Southern Exposure 2025, where attendees enjoyed a wide array of educational and social activities while celebrating the significance of family meals and the importance of eating together.

More than 3,350 people went to the show, including 118 wholesale buyers and a record number of retail and foodservice members: 354 retailers and 187 foodservice broadline buyers.
