Market Minute: Mushrooms ready for summer promotion

By

Ron Pelger

June 8, 2026

Kick off the summer grilling season by merchandising fresh mushrooms in June.

Increase the produce department display space and promote mushrooms in weekly advertising flyers to boost your mushroom category sales. Be aggressive by setting up a secondary display through June to support the Mushroom Council’s new It’s not Magic. It’s Mushrooms campaign.

Fox Solutions partners with JASA packaging systems

June 8, 2026

Fox Solutions has entered into a strategic partnership with JASA, a Netherlands-based leader in weighing and packaging automation, to bring fully integrated packaging and automation solutions to the U.S. produce market. As one of only two authorized U.S. distributors for JASA, Fox Solutions will provide sales, service and parts support for JASA equipment, giving domestic growers and packers direct access to JASA's technology.

In the Trenches: Put muscle into merchandising California strawberries

By

Ron Pelger

June 5, 2026

Spring is here and summer is just ahead. That means California strawberries are on tap. California’s ideal climate produces 90 percent of the nation’s strawberries, yielding 1.8 billion pounds annually, and more organic strawberries are grown in California than anywhere in the world.
