PRO*ACT Crop Update: Lettuce eases, melon squeeze

By

Joey Piedimonte

June 26, 2026

Lettuce markets are finally starting to loosen up after several weeks of elevated pricing and limited availability. Green leaf has already worked its way back toward normal, while romaine, romaine hearts and iceberg should continue easing over the next two weeks as California production improves. Quality is improving, but lighter weights, mildew, fringe burn and internal burn are still being reported. Better yields are bringing more product to market and creating some much-needed relief.

The Little Potato Co. brings America's favorite flavor to the produce aisle with new 'A Little Homestyle Ranch Microwave Ready Kits'

June 25, 2026

The Little Potato Co. is adding a new staple to its Microwave Ready Kit lineup: A Little Homestyle Ranch. Available at major retailers, the new kit pairs the brand's signature Little Potatoes with the crowd-pleasing flavor of ranch.

“Ranch is the No. 1 dressing flavor in the country, and potatoes are the No. 1 side dish – it’s the perfect pairing,” said Angela Santiago, CEO and co-founder of The Little Potato Co. “Our new kit makes it easy to get a family-friendly dish in five minutes, leaving more time to enjoy the little moments together.”
