# Market Minute: Raspberries are ideal to promote right now

**By**

**Ron Pelger**

**July 13, 2026**

In those early years of long-distance produce shipping, freshness was almost unattainable. Without refrigerated trucks or rail cars, fragile fruits and vegetables simply couldn’t survive the trip from growing regions like California to markets in the East. As a result, many delicate produce items never appeared in regional grocery stores because they broke down long before they could reach the shelf. Fresh raspberries were one of those items.
