SunFed expands foodservice footprint with year-round supply and nutrition-focused solutions

By

John Groh

July 8, 2026

Long recognized as a leader in retail produce, SunFed is increasingly leveraging its expertise in sourcing, merchandising and product quality to expand its presence throughout the foodservice sector.

The Rio Rico, AZ-based company has spent the past several years strengthening relationships with foodservice operators, distributors and institutional buyers, while applying many of the same principles that have driven its success at retail.

Industry Viewpoint: A third-generation packer's outlook on organic citrus for 2026–27

By

Vince Mazzetti, vice president of Goody | Blue Banner Co.

July 8, 2026

I didn't choose the citrus business. The citrus business chose me — and I mean that as the highest compliment I know how to pay.

GLC Cerritos builds momentum through Jalisco growth, foodservice expansion and sustainability leadership

By

John Groh

July 8, 2026

Just four seasons after avocados from Jalisco first gained access to the U.S. market, GLC Cerritos has emerged as one of the leading Mexican avocado suppliers, leveraging quality, reliability, sustainability and a vertically integrated supply chain to fuel growth while positioning itself for an even larger role in the category.
